

VIGIL SYSTEMS AND COMFORTDELGRO DRIVING CENTRE ANNOUNCE SOLE AGENT AGREEMENT

Vigil Systems and ComfortDelGro Driving Centre (CDC) are proud to announce the signing of an agreement to make CDC sole agent for Vigil technology into Singapore, China, Japan, Korea, Taiwan, Indonesia, Malaysia, Thailand, Vietnam and Middle-East/North Africa. The signing of this agreement is the culmination of a relationship that has been in progress since 2003 and will result in Vigil technology and CDC driving expertise being spread further throughout the Asia/Middle East region.

Vigil Systems CEO, Ian Haynes and CDC CEO, Huam Chak Khoon

Vigil Systems develops, sells and supports technologies for training professional vehicle drivers, including transportation (Bus, Rail), Mining, Fire & Emergency Response, Airports and Municipal Fleets. Vigil's training systems have been used to train thousands of drivers across dozens of transport fleets and have reduced the cost and severity of accidents by as much as 76 percent. Vigil customers have experienced dramatic reductions in claims costs, fatalities and passenger injuries.

Established in 1996, ComfortDelGro Driving Centre is a business unit of ComfortDelGro Group. ComfortDelGro is the world's second largest land transport company with a total fleet size of more than 41,000 buses, taxis and rental vehicles. As a market leader in Singapore's learner driver industry and equipped with the latest state-of-the-art technology, the Centre provides a comprehensive range of high quality services and outstanding facilities.
